Cathy Santelle

Principal

To Whom It May Concern,

It is my pleasure to write this recommendation for Mr. Tyler Smith. I know Mr. Smith in a professional capacity as a Music teacher at Woodview School. Tyler works with the entire population of kindergarten through fourth grade students. He uses creativity and ingenuity to develop lessons that excite students about music.

Mr. Smith utilizes resources for enriching students' learning through technology and hands-on learning. He has the ability to differentiate his lessons and encourages all students to be successful. He works with the other music staff members in the district to offer a variety of opportunities that promote the love of music.

Mr. Smith is a leader at Woodview. He takes on challenges with a positive attitude and a desire to learn. His flexibility to try new projects and to revise as he finds more efficient ways of doing things is his strength. He has developed and facilitated music programs that become a highlight of the student experience at Woodview.

Mr. Smith has worked on various administrative duties throughout the school year. As a Team Leader he has facilitated professional development for his colleagues. He has helped implement a writing assessment program, researched the Rising Star school improvement planning process, advised colleagues on the new evaluation system, and has organized ISAT testing materials.

I highly recommend Tyler Smith for the position that he seeks. He has proven he can assume an administrative role with the same enthusiasm and dedication he displays at Woodview School. I can be contacted for further questions.

Sincerely,

Cathy Santelle
Principal
