February 13, 2014

To Whom it May Concern,

It is my pleasure to write this letter of recommendation for Mr. Tyler Smith. Mr. Smith works as a music teacher at both Meadowview and Woodview Schools in Grayslake. As a music teacher he brings a great deal of enthusiasm and passion to his work. In addition, to his talents as a musician he does an outstanding job connecting with all of the students and making music a class that the students really enjoy.

Over the past two years Mr. Smith has been pursuing his Administrative Degree. During this time he has worked as an administrative intern in addition to teaching his classes. Through this experience he has had numerous administrative opportunities including, but not limited to: participating in the teacher evaluation process, working with the Parent Teacher Organization, creating staff development materials in the area of writing, and analyzing school writing data compared to the district scores.

Mr. Smith is a very hard worker and always does his best. He is a life long learner who is very resourceful and does an outstanding job researching a topic. He builds strong relationships with people and is a very positive contributor to the staff. I believe all of these strengths will serve him well in an administrative role and I recommend him for a position in your district.

Sincerely,

Laura Morgan  
Principal
